

North Sea Race 2018

CLARIFICATION – To the Sailing Instructions/ Course

WITH REGARDS TO: APPENDIX B

Long Course (All IRC and ORC One and Two)

Mark 9; **Greater Gabbard Offshore Wind Farm

CLARIFICATION

Competitors are reminded that the Great Gabbard Offshore Wind Farm includes both the Inner Gabbard Wind Farm (to the west) and Galloper Wind Farm (to the east). It has been brought to the attention of the Race Committee that the Galloper Wind Farm project is near completion and may be larger than some charts currently identify.

After competitors pass the South Galloper Buoy they should be aware other buoyage is in place identifying the boundaries to the Galloper Wind Farm.

These boundaries have been identified in maritime notices as;

North Cardinal VQ 52° 00'·06N., 1° 59'·33E.

Special Fl.Y.5s 51° 59'·81N., 2° 02'·76E.

North Cardinal Q 51° 59'·42N., 2° 06'·19E.

East Cardinal Q(3)10s 51° 57'·26N., 2° 06'·28E.

South Cardinal Q(6)+LFl.15s 51° 55'·10N., 2° 05'·49E.

Special Fl.Y.5s 51° 54'·50N., 2° 04'·14E.

South Cardinal VQ(6)+LFl.10s 51° 53'·90N., 2° 02'·02E.

North Cardinal VQ 51° 49'·43N., 2° 03'·42E.

East Cardinal Q(3)10s 51° 47'·12N., 2° 03'·21E.

South Cardinal Q(6)+LFl.15s 51° 44'·80N., 2° 02'·77E.

Special Fl.Y.5s 51° 44'·34N., 2° 01'·39E.

South Cardinal VQ(6)+LFl.10s 51° 43'·70N., 1° 58'·17E.

All competitors are reminded that the Great Gabbard Offshore Wind Farm (including both the Inner Gabbard Wind Farm and Galloper Wind Farm has to be left to PORT.

Further Information about these wind farms can be found here;
